Intonga Amasatchi®

Full Body Treatment

Intonga Amasatchi® is a deep tissue and stress-relieving treatment. Skilful movements are performed with the hands, and differently sized wooden sticks are used to stretch tight muscles and ease toxic overload from daily stress. Symbolically, the stick or staff represented wisdom and direction to the healer. Created from yellow wood, the traditional healer knew that the energy of earth was a valuable tool.

Full Body Treatment

Inspired by traditional yoga movements, this massage works effectively with body re-alignments of the spine by performing stretching movements.
